

Painting in Cumbria

With Mike Chaplin RWS RE and Jenny Wheatley RWS NEAC

October 15th-20th 2017

Cumbria is a well tested destination for Jenny and Mike to teach and to paint. We will again be staying at the Lodore Falls Hotel at the edge of Derwentwater and will have access to a studio in the hotel throughout the break as well as getting out to paint at a number of nearby destinations weather permitting. We have yet to be stopped by the weather from at least getting drawings and notes done outside, and often seem to hit very good weather when we can work outdoors every day.

The hotel is very comfortable with lots of quiet sitting areas, an excellent restaurant where we take all our meals, and has great views and access straight over the road to Derwentwater and to the famous Lodore Falls behind the hotel.

Do come and join us in this beautiful part of the world. Price includes tuition, all meals and accommodation as well as tea and coffee throughout the day. Not included are drinks from the bar. Price £990 per person. Non painters welcome.

To reserve a place please complete and return the form below, and send it along with a deposit of £150, to Jenny Wheatley, Bristol House, Portloe, Truro, Cornwall TR2 5RG. Final payments become due 8 weeks prior to arrival.

{Please note that the spa, gym and pool will be closed for all of 2017 due to refurbishment.}
